

Privacy Notice - newsletter

The controller of your personal data is FinTech Poland, with its registered office in Warsaw, Koszykowa 8, 00-564 Warsaw, Poland, entered in the Register of entrepreneurs and Register of Associations, Foundations and Independent Public Healthcare Institutions kept by the District Court for the capital city of Warsaw in Warsaw, 13th Commercial Division of the National Court Register, under KRS number 0000967009, NIP 9512539511.

The Controller processes the personal data provided by you in the form, namely: name, surname and email address.

Your personal data will be processed for the purpose of sending you the Fintech Poland newsletter and information about reports, events, initiatives and other activities related to Fintech Poland.

The legal basis for the processing of your personal data is Article 6(1)(a) GDPR, i.e. your consent.

Your personal data may be disclosed to entities providing services to the Controller in connection with website maintenance, IT systems, hosting, mailing tools, email services and other service providers supporting the Controller to the extent necessary for the above purpose, as well as entities authorised to receive personal data under applicable law.

Your personal data will be processed until you withdraw your consent or until the newsletter service is discontinued, whichever occurs first, and thereafter for the period necessary to demonstrate compliance with legal obligations or to defend against potential claims.

You have the right to:

- access your personal data,
- rectify your personal data,
- erase your personal data,
- restrict the processing of your personal data,
- withdraw your consent at any time, without affecting the lawfulness of processing based on consent before its withdrawal,
- lodge a complaint with the competent supervisory authority.

In matters relating to the processing of personal data, you may contact the Controller at: info@fintechpoland.com.

Providing your personal data is voluntary, but necessary if you wish to receive the newsletter.

Your personal data will not be used for automated decision-making, including profiling.
